# Commodore's Comments

In spite of the colder weather things have been busy. Work on the wall behind the bar has been ongoing for several days. The amount of destruction by termites and rot caused by water leakage was more than was expected. The framing for three windows should be completed soon but we need professional help with new flashing at the lower end of the skylight windows. Read this as expensive. Work on the other back windows will be needed in the future but can be delayed safely for a while. Big time thanks to members Ahr, Compher, Manning, Witman and Traylor for the carpentry work.

The club continues to need upkeep and repair and I take this opportunity to remind you of the small dues increase which you will see with the February billing.

We were saddened to learn that Barry and Carole Moore are moving to Florida in the Spring. They have contributed a great deal to the club and will be missed. We have been very fortunate to find a new treasurer in Jim Manning and he is working with Barry to achieve a smooth transition. Welcome aboard.

If you have not looked at our new website, please do. Mary Ryan and Norm Shotz have put together a site which is a credit to the club. You will be able to find a complete and up to date membership list in the member's only section as well as information on club activities. It also enhances our ability to recruit new members. With a name like Wild Apricot it has to be good!

A new contract has been signed with Terry and Pat for our catering service. Terry will provide some backup when he has some maintenance surgery in the near future. Our dinners should continue to be outstanding and uninterrupted.

See you at the best club on Hilton Head.

## President's Report

At our January meeting, we had a delightful lunch at the Black Marlin before adjourning to the Yacht Club for the business portion.

Marilyn Owen, our new Activities' Chairwoman, announced the upcoming special Valentine's Day luncheon which will be held on February 13. To confirm a seat, \$20 checks should be sent to Julie Traylor or Marilyn by February 10. Marilyn has many events in the planning stages, so there will be lots of outings to look forward to. Possible tours in the next few months are: Savannah Harbor, Waddell Center, and USCB for tour & lunch.

Deb Pepe presented a project with our clubhouse burgees which was met with great enthusiasm. She would like to record the club names and informative comments on each of the burgees --- a formidable task, since we have so many. Deb passed around a unique book with drawings of some of the flags which a talented artist (likely a member) had created years ago.

Babs Erny discussed the formation of a Wine Tasting Club. It's first event was held the next day before dinner and enthusiastically attended. Those who are interested in joining should get in touch with Babs.

Although it is very early in the year, we had a brief talk about nailing down dates for the 2020 holidays. November 30 will be decorating day, and "de-decorating" will be on Jan 4, 2021. The NL Christmas lunch will tentatively be on Dec 10. Betty Bush requested that a committee be formed to work on all the holiday issues.

Greeters in February are:

Feb 7 Kathe Golden

Feb 14 Frances Viverette

Feb 11 Deb Pepe

Feb 28 Anne Landis

As Carole & Barry Moore are moving to Florida, Carol Lang will once again be the NautiLadies President. The Moores have done so much for the Yacht Club & will be missed terribly.

## New Merchandise On Its Way

Hi Everyone

Please stop by our store on Fridays between 6-8.

We're getting in some new hats and visors next week. Also we'll have some other new items for women. Hopefully we'll be getting in some new purses and matching bags similar to those we had last year.

Don't forget to check out the rain jackets and vests. We still have most sizes to choose from in men's and women's.

See you Friday!

## Your Input Needed

The Commodore has appointed a committee to research YCHHI involvement with the Palmetto Bay Marina. Input from members are invited to help this committee. Speak with Sonny Compher, Hap Todd, Norm Shotz, or Jim Landis with ideas.

Do want to seek special dockage rates? Do we want to rent space for Flying Scot dockage? Do we want to provide dinghy dockage? Do we want to contract a pier for club members and sublet? Do we want to invest in our own pier as part of the marina development?

Now is the time to think about this while the marina is in construction.

Ideas welcome!

## 2019 Power Boating

**Happy New Year, Power Boaters!**

Bouncing between “cold & clear” and “warm & raining”, the weatherman is not helpful to boaters, whether power or sail, at this time of year. And we’ll be having lots more of the former than the latter until mid-March. Nevertheless, your faithful servant will be busy in the after-Christmas week looking at tides for April through October and selecting outings for us all to enjoy. Lots and lots of lunch cruises and three dinner cruises in May, June and July. Schedule coming soon.

## Wine Club

The Wine Club is up and running and off to a great start with 26 registered members. If you haven't joined there's still time. Our second meeting will be Friday, February 7th at 5:00. We will be tasting a Chardonnay aged in oak barrels and a Chardonnay in stainless steel tanks. In wine speak they are referred to as "oaked" and "unoaked". We will then vote to select one of these to be the featured white wine for March.

In January we featured the Winking Owl Pinot Grigio and Gnarly Head Old Vine Zinfandel. For February we will have a Sauvignon Blanc and a Cabernet Sauvignon. Each month we will be featuring different wines: one white and one red.

Come join us in our "Taste of the Grape". Membership is \$20 and your first glass is free. We offer a 6 oz. pour for \$5 and are happy to offer these featured wines to all Yacht Club members. Visit us at the chart table next to the bar. Hope to see you soon.

## Louie & Phyllis Guagenti

Louie and Phyllis have been part timers on Hilton Head Island for 28 years, and live in Lima, Ohio the rest of the year. Louie is a graduate of St. Joseph's College in Rensselaer Indiana. Phyllis attended Lima Technical college studying Computer Sciences.

Louie owned C&G Distributing, a beer and wine whole-seller, retiring in 1995. He is now a commercial real estate agent and developer. In 1981 they opened one of the first micro computer stores in Ohio specializing in Apple products.

They have 3 daughters, 8 grandchildren, and a great grandchild due this month.

They enjoy boating with friends where most of their trips were on the Chesapeake Bay. They both enjoy golfing and Louie loves to forage for wild mushrooms and local shellfish.
