Commodore's Comments

Hello to all fellow isolated members of the club. We certainly live in interesting times. I hope you are all well.

The BOS met today (March 31st) and decided to continue with no Friday dinners through the month of April. We will reevaluate again at the end of the month.

With Norm Shotz' help we had our meeting using Zoom. This is a straight forward platform and can accommodate many people. Norm thinks he can run a meeting with as many club members as are interested. Could also break into smaller groups. Might try this on a Friday night so that we can stay in touch visually. More to come.

Barry and Carole Moore are just about ready to move to Florida and we did not have an opportunity to say goodbye at a Friday dinner. Because of their many contributions over many years the BOS conferred lifetime membership. We wish them the best.

President's Report

Due to COVID-19 the NautiLadies have canceled all of their events until such time as we can get together as a group. Marilyn had planned some splendid outings, but for right now, we will just be enjoying the Spring weather from our homes.

Prayers & best wishes for good health for all!

POWER BOATING ACTIVITIES SUSPENDED

In a turn of events that will come as no surprise to any of us, virtually all of the restaurants that I had hoped we could boat to for lunch or dinner during the months of April through July, are either closed, not answering their phones or are only offering minimal take-out options with no place to consume them. Even Freedom Boat Club is shut down for the foreseeable future.

A day or so ago I reached out to everyone wondering if there were some form of boating that we could enjoy despite the lack of destinations and the overall pandemic concerns. Not surprisingly virtually all responses, while expressing disappointment, held firm to the conviction that we'll just have to accept that our boating programs, like our social lives in general, will have to be put on hold for the time being.

Let's pray that we all come through this with our health intact and manage to get some form of boating in before the end of the season.

Wine Club

Hello Wine Club Members and all you yachting wine lovers. Your Board of Stewards has wisely chosen to keep the Club closed for the month of April. So our meeting of April 3rd will be postponed until the Club is able to welcome us back. Until then, keep tasting, take notes and be ready to share tales of the tasty ones you have discovered while “sheltering in place”.

The internet has numerous sites covering any and everything to do with wine. Check a few out, you’ll be amazed. To start, here are two I like: vinepair.com and nataliemaclean.com.

And to give you something to mull over, here are the suggested names I’ve gotten so far for our group, in the order they were received: Grape Nuts, Cork Dorks, Grape Apes, Wine Knot, On Cloud Wine, Grape Waves, Gang of Pour, Wine Aweigh, Grape Crew, Wine Deck, Wine, Wind and Waves, Wine Port, Following Wine, Wine Dock, Grapefull, The Cru Crew and S.W.A.T. Team (Special Wines and Tastings Team).

Keep safe, stay well and hope we will be tasting together soon.

If you take photos of YCHHI events and would like to see them in the Main Sheet, please email to julie.traylor17@gmail.com

Introducing...

Mike & Ruthie Tyson

Mike & Ruthie Tyson retired to Hilton Head 2008. Prior to that, they both owned an independent insurance agency in Sharon, PA. Mike is an avid fisherman and enjoys boating both here on the island and also on Lake Erie. They spend their summers in Conneaut, Ohio. Ruthie spends a lot of time playing golf at the Country Club of Hilton Head.

Amy Dodds and Andy Mew

Amy moved to the island almost 11 years ago from Ohio where she was an elementary teacher. She now works in vacation rentals at The Vacation Company.

Andy is from the Savannah area where he grew up. He works in construction with Savannah Hardscapes. The couple just purchased a boat and are very excited about spending as much time as possible on the water with their pups Tucker and Tipper.
