Commodore's Comments

Greetings,

I hope you are all weathering the storm and are well.

The BOS wisely decided to keep the club closed because of the new rise in virus cases. We will be closed at least through the end of July.

However, because of the last barbecue attendance, there will be a lobster bake in mid July. Remember the masks and the six foot guide lines!

The other piece of good news is the decision by the Board to postpone the next dues increase for the foreseeable future.

Be safe.

Al Pepe, Commodore

The Hilton Head Heroes' program reactivated on June 21. The Yacht Club has taken out two families so far. We're counting on the many Captains who have been active in the program in past years to again make this program a success.

Friday Night Tailgate Dinner

Friday, July 10
Tailgate Dinner at the Club
featuring steamed MAINE LOBSTER,
expertly prepared by SEA EAGLE

The Scrumptious Crustacean will be accompanied by corn on the cob, sausage, a tender roll, and a mystery dessert. Bring your own liquid refreshment, as the bar will not be open. Happy hour begins at 6 pm, with dinner service starting at 6:30 pm.

Most folks will set up their own tables and chairs in the parking lot. A few tables will be available on the porches and some indoors (remembering social distancing!). You may choose instead to carry your dinner home by selecting that option on the registration page. You may also choose to do both!

Note: The "dine in" count is limited by the rules to 50 persons, while the "take out" count is unlimited. Dine in orders will be limited to MEMBERS & Immediate Family ONLY until July 1, whence guests may be added (by text to Norm) if there's still space in the 50. All orders must be submitted by July 3 noon, as that's when the lobster order must be finalized. The fee is \$30. (Ignore the "pay at the door" on the registration form - it goes onto your tab).

Harbour Town and Calibogue Cup Regattas

The Regatta Committee wants to inform the Club Membership that regrettably we are not holding the Harbour Town and Calibogue Cup Regattas this year. The decision was made because of the spike of Covid-19, club resources, and in an abundance of caution.

Hopefully the club will be in a position to hold a regatta next year.

Call for Volunteers

"Tide and time wait for no man" and both seem relentless on small boats and docks. Volunteers are needed to boost participation in the Flying Scots program.

Flying Scots

Jim Vaughn
Fleet Captain Flying Scots

The crew that worked on the YCHHI red Scot 10 years ago. It needs the same TLC again!

The launch of the floating dock YCHHI members built at least 20 years ago. This dock was loaned to the sailing center and was destroyed by Hurricane Irma. The floats were recovered and are now in the YCHHI yard. We need to get it rebuilt too.

Wine Club

Hello Wine Club Members and all you yachting wine lovers. Your Board of Stewards has wisely chosen to keep the Club closed for the month of April. So we will be postponed until the Club is able to welcome us back. Until then, keep tasting, take notes and be ready to share tales of the tasty ones you have discovered while "sheltering in place".

The internet has numerous sites covering any and everything to do with wine. Check a few out, you'll be amazed. To start, here are two I like: vinepair.com and nataliemaclean.com.

Keep safe, stay well and hope we will be tasting together soon.

Sorry, did you say something? It's summertime, and I only hear and speak beach, pool, flip-flops, and margaritas.
